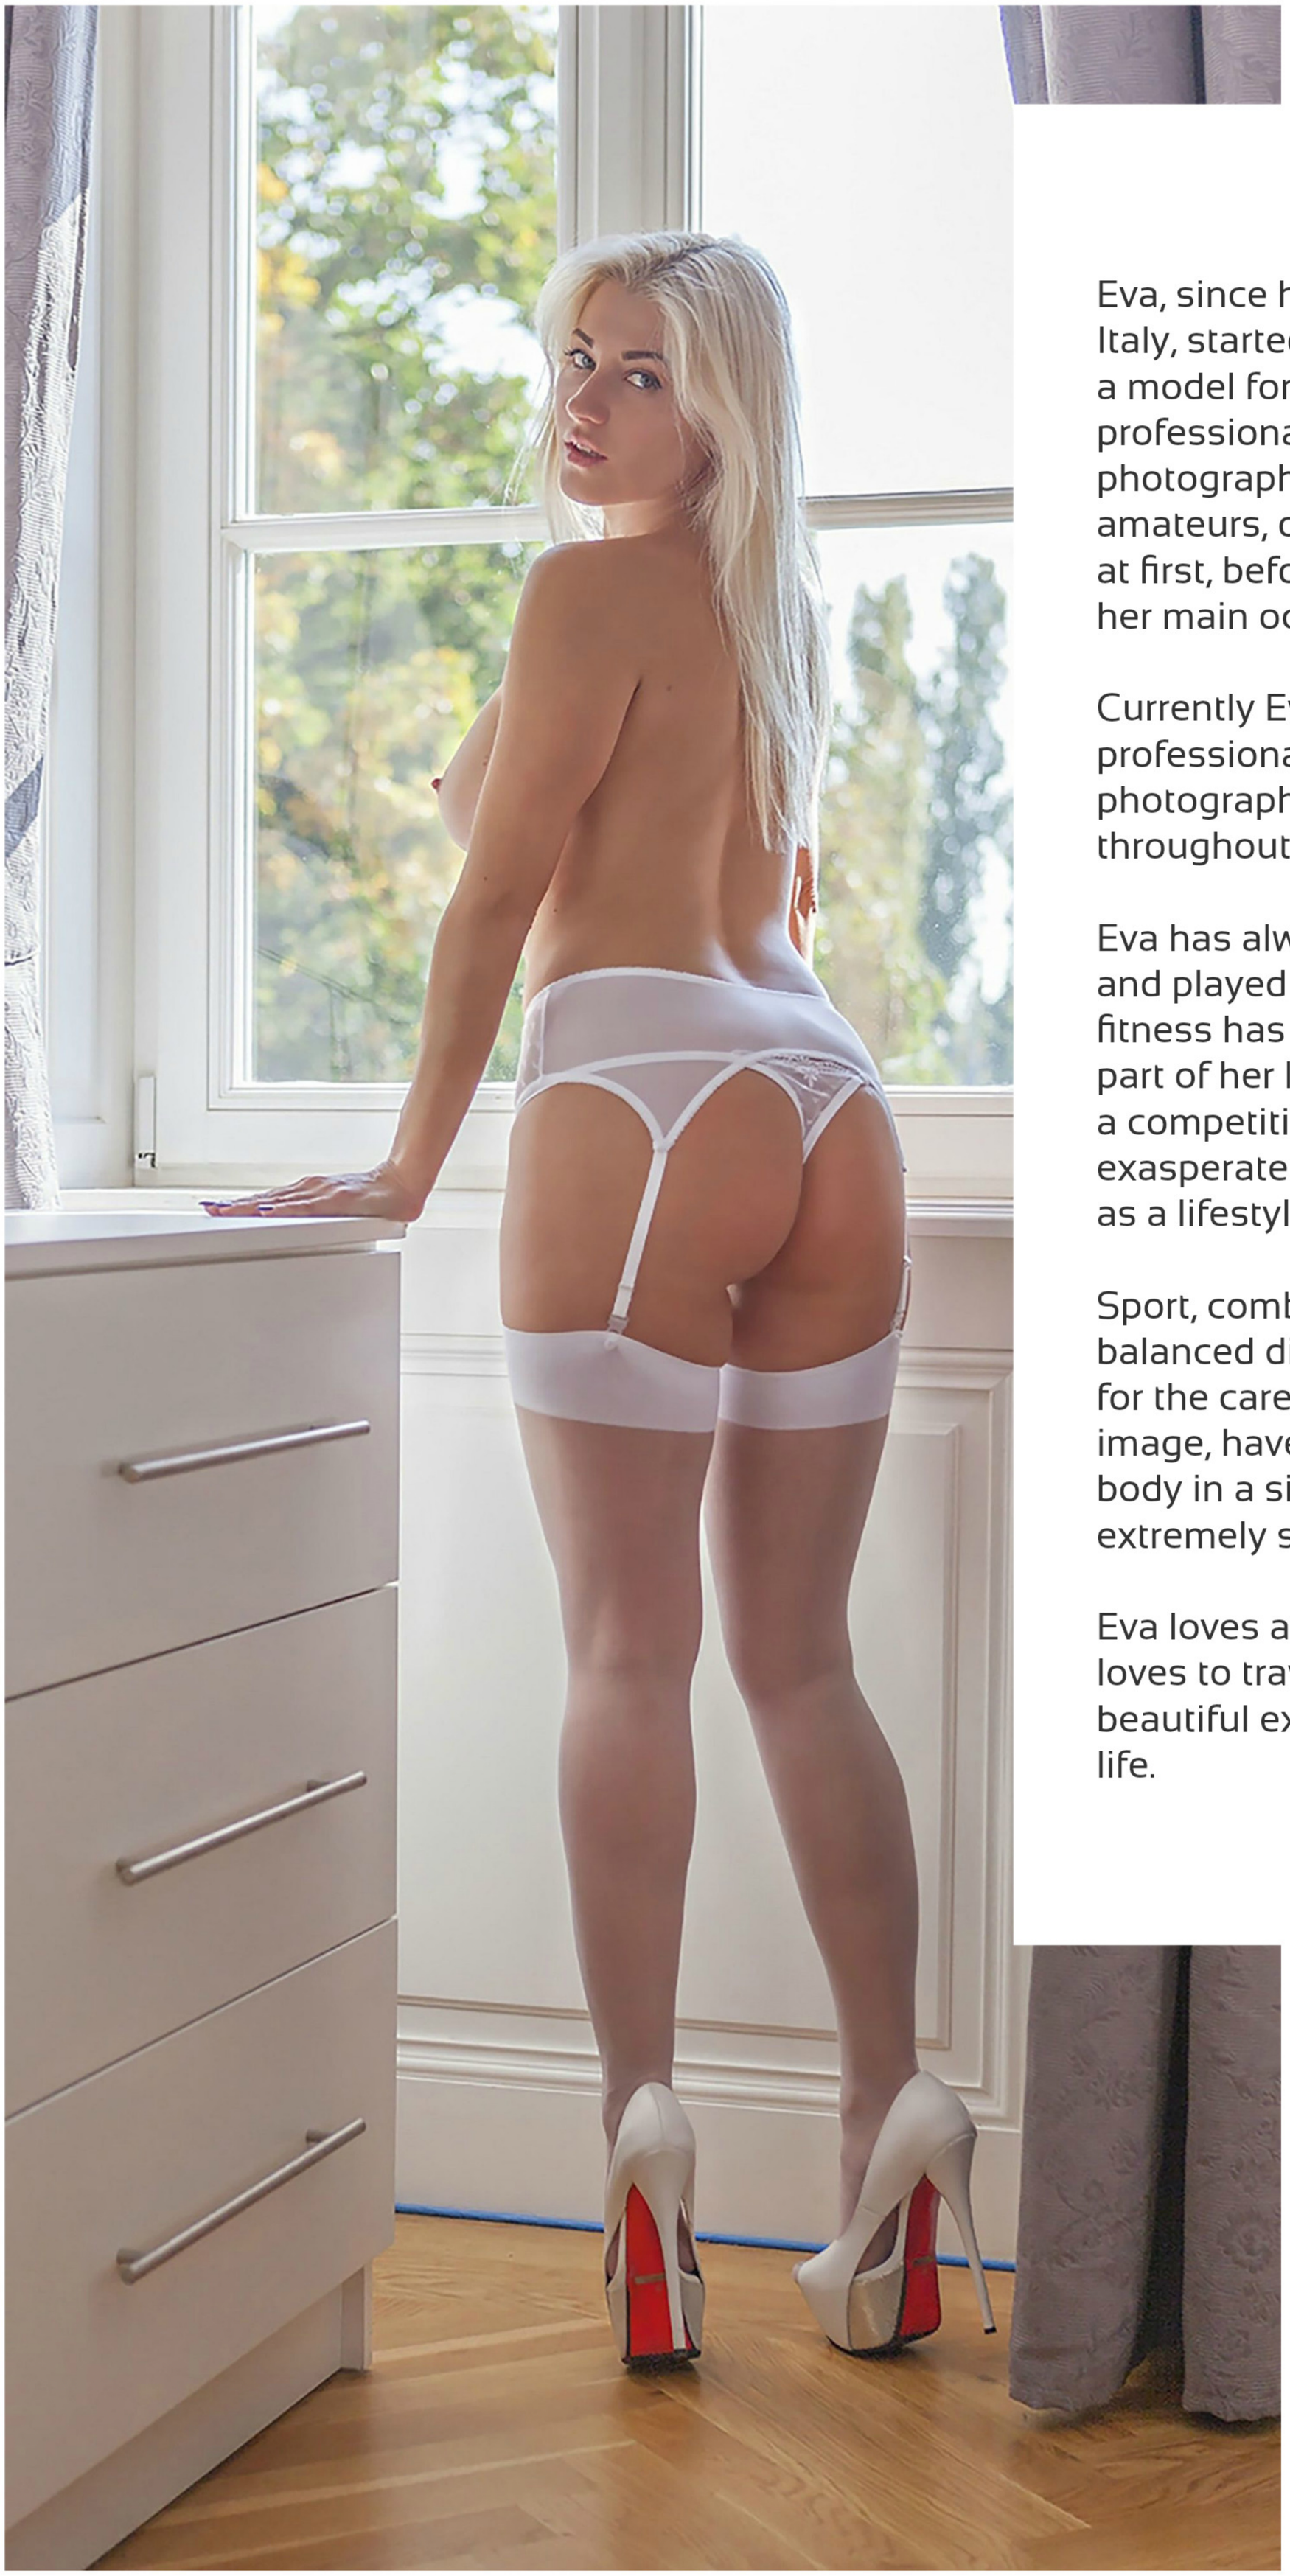
Eva Kisimova is a model of Bulgarian origin, one of the most famous and internationally appreciated photomodels. Eva has lived in Italy for about 10 years.

In 2005, at the age of 18, she moved to Sofia for study reasons, where she attended the (NATFA) Nationals Academy For Theater and Film Arts, as well as a linguistic specialization in English and Italian.

In the capital of Bulgaria, at the same time, she lends herself as a model for students of painting and sculpture of the National Academy of Arts in Sofia.

In 2008 she moved permanently to Italy, a country that has always fascinated her in which she had traveled several times, settled in Tuscany, in Pisa, where she attended the aesthetics academy for 3 years and obtained the qualification of beautician with full marks with professional qualification.



Eva, since her arrival in Italy, started posing as a model for professional photographers and amateurs, occasionally at first, before making it her main occupation.

Currently Eva is a professional photographic model throughout Europe.

Eva has always loved and played sports, fitness has always been part of her life, never at a competitive or exasperated level, but as a lifestyle.

Sport, combined with a balanced diet, and love for the care of her image, have shaped her body in a sinuous and extremely sensual way.

Eva loves animals, loves to travel and the beautiful experiences of life.
